Dear Mr. Fitzwater:

Last year, the General Services Administration held a two day conference entitled "Partnership in Administration." The purpose of the conference was to provide a better understanding of customer agency needs and concerns regarding GSA policies and procedures. At its conclusion, a commitment was made to hold another conference in 1985.

I invite you to participate in this year's "Partnership in Administration" conference to be held October 16-18, 1985, at the Xerox Training Center in Leesburg, Virginia.

Several changes have been made in the structure of this year's conference. More time will be devoted to workshops, and more emphasis will be placed on regional involvement.

I plan to participate in a number of sessions and have scheduled time to meet with small groups of interested agency officials. In addition, Constance Horner, Director of the Office of Personnel Management; Carole Dineen, Associate Director for Management, Office of Management and Budget; and Congressman Frank Horton, Ranking Minority Member on the House Government Operations Committee have been invited to address the conferees.

Limited participation is necessary to ensure maximum interaction among the attendees. In order to achieve this goal, senior level officials are encouraged to attend. Therefore, we ask that in addition to yourself, you designate three of your key administrative officials to attend.

A proposed schedule as well as an agenda for the concurrent workshops are enclosed. Each attendee should choose four workshops which are of particular interest, and indicate his/her selections on the enclosed "Reservation for Workshops."

The registration fee of \$195.00 covers meals, lodging, and all associated training expenses with the exception of travel to and from Leesburg. Cancellation will be honored through October 2, 1985. Substitution of appropriate personnel will be accepted.

To register, please complete a Standard Form 182 for each attendee and return it along with the "Reservation for Workshops" no later than September 25, 1985, to:

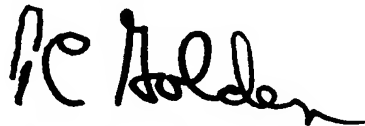

Customer Affairs
Office of Operations (AR)
General Services Administration
Washington, DC 20405

Confirmation and additional details will be sent to you prior to the conference. If you have any questions, please call Tom Catlin on 523-1200.

I look forward to your active participation in the 1985 Leesburg Conference.

With best wishes.

Sincerely,
